RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

TECHNOLOGY CENTER 2800

Sir:

This paper is in response to the restriction requirement in the Office Action mailed April 17, 2003.

REMARKS

A restriction has been made on claims 1- 31. Claims 1-21 have been grouped into Invention I and claims 22-31 have been grouped into Invention II. Withdrawal of the restriction requirement is respectfully requested. Applicants traverse the restriction requirement because search and examination of the entire application would not be a serious burden on the Examiner. However, if the restriction requirement is not withdrawn, Applicants elect to prosecute the invention of claims 1-21 (Invention I). Contact me if there are any issues regarding this communication or the current Application.

In response to the restriction requirement, Applicant provisionally elects Group I  
(Claims 1-21), without traverse, if applicable.

Reconsideration of this application is respectfully requested.

Respectfully submitted,

Joanna G. Chiu
